**ENVIRONMENTAL SYSTEMS RESEARCH INSTITUTE, INC.
SAMPLE DATA PERMISSION FORM**

PennWell MAPSearch (hereinafter referred to as "Company") grants its express, royalty free permission for Environmental Systems Research Institute, Inc. (ESRI), and its Business Partners to use, copy, reproduce, (re)publish, and/or (re)distribute sample data and related materials contributed by Company for the following purposes and through the following channels (please *initial* all applicable uses for which permission is granted):

ESRI Marketing Activities

- Benchmarks, Trade Shows, Seminars
- ESRI World Wide Web
- ESRI Educational/Training Materials
- General Marketing and Promotional Activities
- ESRI® Software Releases and Related Documentation
- Approved for All of the Above Uses

ESRI Domestic Business Partners

- All Marketing Activities: Benchmarks, Trade Shows, Seminars, General Marketing, and Promotional Activities
- Web Pages

ESRI International Distributors

- All Marketing Activities: Benchmarks, Trade Shows, Seminars, General Marketing, and Promotional Activities
- Web Pages

Brief description of sample data and related materials (if additional space is needed, please attach a separate sheet):

Schema only for PennWell's Mexico Petroleum Data Set

Once permission has been granted, ESRI and its Business Partners shall continue to use and redistribute Company's sample data and related materials until such time as Company provides written request that such activities cease. ESRI or its Business Partners may then continue their use until the current inventory of collateral materials, in any format, has been exhausted or undergoes a substantial revision, whichever comes first.

In order to assist in the proper usage of Company's sample data and related materials for which permission is granted, Company requests the following information accompany all sample data and related materials submitted:

Company **copyright** attribution notice (e.g., Copyright © <insert year(s)> <insert name of copyright owner(s)>.):

Copyright © 2005 PennWell MAPSearch

Company **trademark** attribution notice: _____

Company **source** attribution notice: _____

Company warrants it owns and/or has rights to grant permission to the sample data and/or related materials submitted. To the best of Company's knowledge and belief, the sample data and/or related materials do not infringe upon the copyright or proprietary rights of others. Moreover, Company warrants that these sample data and/or related materials do not contain any information that is unlawful, libelous, or violative of any person's right to privacy. Company agrees to defend, indemnify, and hold ESRI harmless from and against any and all liability, expense, costs, and/or damage arising out of Company's failure to meet the obligations of this Agreement.

Accepted and Agreed:

DATA DESCRIPTION

Please identify the sample data set and/or related material(s):

Name of data set or related material(s): Schema for PennWell MAPSearch

Data set version number or identification data: _____

Describe the sample data by placing a check mark in the appropriate boxes below (check all boxes that apply):

MEDIA TYPE

- 8-mm Data Cartridge*
- 1/4-inch Data Cartridge*
- CD-ROM
- 3.5-inch Diskette
- Bernoulli
- Other* _____

OPERATING SYSTEM FORMAT

- UNIX File System Format
- DOS File System Format
- Windows 95
- Windows NT Version _____
- Macintosh

RASTER FORMAT

- SunRaster File
- TIFF
- GIF
- BIT
- Other _____

DATA TYPE

- ArcInfo™ Coverages
- ArcView® GIS 3 or later
(e.g., shapefiles and projects)
- EXPORT Format (E00)
- dBASE Tabular File
- ASCII Comma Delimited
- Compressed
- Proprietary with Extraction Software
- BusinessMAP®
- Atlas AGF/SDK
- Other _____

* NOTE: If data is supplied on data cartridge or other tape media, please include an itemized file list with approximate file sizes. What ESRI software (type and version) was used to create the data (e.g., ArcInfo 7.2, PC ARC/INFO® 3.5)?

Does the sample data include applications software (e.g., AML™, SML™, Avenue™, or Visual Basic)? If so, which? No

What is the geographic extent of the sample data? Mexico

In what map projection/coordinate system is the sample data? _____ What is its scale? 1: _____

Briefly list the geographic features, layers, and/or attributes included in the sample data. (The sample data set must reflect what a customer would get if he/she were to license your product [i.e., it must contain all of the possible layers and all of the attributes normally provided].)

Is this data set a final, deliverable version of the product, or a development version?

List any items meant to be relational keys:

	FIELD (ITEM) NAME	EXAMPLE VALUE	FIELD (ITEM) DEFINITION
Example:	Cnty_fips	057	Integer (or Number)

Please attach a complete set of documentation (e.g., data dictionary, layers description, and functional description) identical to what an end user would receive if he/she were to license this data set.

ArcInfo, ArcView, BusinessMAP, PC ARC/INFO, AML, SML, and Avenue are trademarks, registered trademarks, or service marks of ESRI in the United States, the European Community, or certain other jurisdictions.
