

StreetMap Mobile Deployment Product Life Cycle Support Status

The Product Life Cycle Support Policy is designed to help communicate to ESRI users the technical support resources available during a product's life span and to provide advanced notification of planned changes to available support options. Read more about this in our [Product Life Cycle Support Policy](#).

Notes:

- The StreetMap Mobile SDK has been discontinued
- StreetMap Mobile deployments are only available for applications that have been previously built using the StreetMap Mobile SDK.
- The StreetMap Mobile runtime is no longer developed.
