

ArcGIS Mobile Product Life Cycle Support Status

The Product Life Cycle Support Policy is designed to help communicate to ESRI users the technical support resources available during a product's life span and to provide advanced notification of planned changes to available support options. Read more about this in our [Product Life Cycle Support Policy](#).

Notes:

- ArcGIS Mobile includes the following: ArcGIS Mobile Applications (Windows Desktop & Windows Mobile), ArcGIS Mobile Runtime, ArcGIS Mobile Software Development Kit, ArcGIS Mobile Project Center, Mobile GP Tools
- Dates listed in a support column provide the date on which the product entered that support level.

Version	Release Date	General Availability	Extended Support	Mature Support	Retired	Notes
10 build 2550	Jan 2012	X				
10 build 2525	Sept 2011		X
