

CommunityInfo Datasets Product Life Cycle Support Status

The Product Life Cycle Support Policy is designed to help communicate to ESRI users the technical support resources available during a product's life span and to provide advanced notification of planned changes to available support options. Read more about this in our [Product Life Cycle Support Policy](#).

Notes:

- CommunityInfo Data was available in nine different formats: Health, Census 2000, Economic Development, Education, Homeland Security, Financial Services, Insurance, Restaurants, and Retail. All are being retired.
- CommunityInfo was available to purchase at four different geography levels: US, Single State, Single CBSA, Single County. All are being retired.
- There was educational pricing and part numbers for CommunityInfo for Education. All are being retired.
