

## MapObjects LT Product Life Cycle Support Status

The Product Life Cycle Support Policy is designed to help communicate to ESRI users the technical support resources available during a product's life span and to provide advanced notification of planned changes to available support options. Read more about this in our [Product Life Cycle Support Policy](#)

### Notes:

- Dates listed in a support column provide the date on which the product entered that support level.
- Support for these products is provided via the Online Support Center, only, at <http://support.esri.com>.
- Pay-As-You-Go Support and Priority Support services are not available.
