

WMS and WFS connectors for ArcIMS Product Life Cycle Support

The Product Life Cycle Support Policy is designed to help communicate to ESRI users the technical support resources available during a product's life span and to provide advanced notification of planned changes to available support options. Read more about this in our [Product Life Cycle Support Policy](#).

WMS and WFS connectors for ArcIMS

The WMS and WFS connectors for ArcIMS are supported as part of a customer's ArcIMS support plan. Please view the ArcIMS Product Life Cycle. The WMS and WFS connectors are supported with ArcIMS 4.0.1 only. While these connectors may work with ArcIMS 9.x we will not offer Technical or Developer support when using them with this version of ArcIMS.
