Data Source

Release:	June 2024
Data:	© Michael Bauer Research GmbH 2024 based on © Departament d´Estadística.
Boundaries:	© Michael Bauer Research GmbH, Nuremberg, Germany, 2023.
Settlement Points:	These settlement points were created using 2023 OpenStreetMap (OSM) Building Footprints. Esri is a supporter of the OSM project, www.OpenStreetMap.org. The buildings were constrained to include only residential housing units. The buildings were verified and improved upon using the latest Esri imagery and HERE (Esri Street Map Premium Layers (LandArea, BuiltUpArea)). When necessary, household values were distributed evenly onto multiunit residential buildings using a top-down approach with the Michael Bauer Research household values from the lowest level geographies.
