Change Notes

Market Data are now projections for 2024 (previously 2023). Unemployed Persons are shown for 2023 (previously 2022). Utilization of updated input data from official statistics, including a methodological change, has led to deviations in the number of Unemployed Persons. Consumer Spending projections in national currency for 2024 show an upward trend due to inflation and economic growth and variations compared to 2023 with shifts within categories due to new data from official statistics.

Other Data Notes

None.
