

RELEASE NOTES

These release notes highlight some general information about the ArcGIS® StreetMap™ Premium Q2 2024 Locator Update.

System Requirements:

StreetMap Premium Component	Software
Locators for geocoding	ArcGIS Pro 3.2.3 or later; ArcGIS Enterprise 11.2 or later

See [System Requirements for ArcGIS StreetMap Premium](#) on the ArcGIS StreetMap Premium website.

Note: The locators in the Locator Update are built like the ones used for the ArcGIS World Geocoding Service. When using these locators, it is always highly recommended that you run the most recent releases of ArcGIS Pro or ArcGIS Enterprise. These locators are released on a quarterly basis for all five StreetMap Premium regions.

Patches (strongly recommended):

See [Patches for ArcGIS StreetMap Premium](#) on the ArcGIS StreetMap Premium website.

My Esri Download or Media Contents:

- a. **LocatorUpdate_Q224_Documentation.7z** – Quick-Start Guide and Release Notes PDF files, and Esri User License Agreement link
